Subject: Re: Tracy Phase 1 LLC Lennar Permits due to expire in June 2020

Lorna-

We have received a few notice letters regarding pedestal permits expiring on Tracy Hills. This includes letter to Tracy Phase I, LLC and to our contractors (Moreno). I would like to request extension to all active pedestal permits in Tracy Hills that may be coming up for expiration.

Let me know if there are any questions

Thank you

Hi John,

Please see the list of permits due to expire in June 2020.

Thank you,
